NEXT STEPS

INTENT TO REGISTER

Your first step is to complete the "Intent to Register" form online at kellstadt.depaul.edu/intent. Submitting this form notifies us that you intend to enroll at DePaul for the quarter stated in your acceptance letter. When we receive your "Intent to Register," your student record will be activated.

ACADEMIC ADVISING

You will find your degree program sheet in your admission packet. This sheet lets you know if you have been waived from any course requirements, lists the courses you will need to take to earn your degree and shows the total number of credit hours you will need to complete.

All incoming KGSB students are **required** to meet with an academic advisor before registering for their first quarter of classes. Academic advisors will assist you with course selection as well as show you how to register for classes online. There are two options for scheduling your initial advising appointment: an in-person appointment with an advisor or a telephone advising appointment. Please contact our office at (312) 362-8810 to schedule your advising appointment as soon as possible to ensure the greatest variety of course options.

As a KGSB student, you are strongly encouraged to meet with an academic advisor periodically to plan your enrollment for future quarters and ensure that you complete all of the required core and concentration courses.

CAMPUS CONNECTION

Campus Connection is DePaul's online portal for current students; you may access class schedules, student account information, registration dates and a variety of other resources. Visit kellstadt.depaul.edu/student-resources/campus-connect-tutorial to familiarize yourself with the features of Campus Connection.

GSB 420 WAIVER EXAM

GSB 420 (Applied Quantitative Analysis) is a required core course for the MBA program and some master of science programs. While students cannot waive this class based on previous course work, students who feel that they have a strong background in statistics and calculus may attempt to waive the course through completing the waiver exam. Visit kellstadt.depaul.edu/student-resources to learn more.

PHOTO ID CARD AND EMAIL ACCOUNT

After meeting with an advisor and registering for classes, you may obtain a photo ID card and DePaul email account. The ID card functions as a library card and also is required for entry into some buildings and computer labs. ID Services offices are located on all campuses, although hours of operation vary. For locations and current hours, please visit go.depaul.edu/idservices.

ORIENTATION

An orientation session for incoming KGSB students is usually held fall and spring quarters, and we strongly encourage you to attend if at all possible. You will receive an invitation by email with details of our next orientation. For more information, please contact the KGSB office at (312) 362-8810.

IMMUNIZATION FORMS

Illinois law requires DePaul to have proof of immunizations on file for all students. We encourage you to submit the immunization form as soon as possible. If you fail to submit this form by the middle of your first quarter at DePaul, you will be unable to register for classes for the following quarter. For complete information on immunization requirements and to download an immunization form, visit go.depaul.edu/immunization.

TUITION AND FINANCIAL AID

Tuition for graduate students in the Kellstadt Graduate School of Business is \$935 per credit hour for the 2012–2013 academic year. Each KGSB class is four quarter hours, so the cost per class is \$3,740.

In addition to tuition, approximately \$150 in fees is assessed per quarter (not per class). These fees include a CTA fee for the U-Pass—a university program that provides colleges students unlimited rides on CTA-operated bus and rail lines. Visit upass.depaul.edu for more information.

Complete information about fees, payment plans (including employer tuition reimbursement) and tuition due dates is available on the Student Accounts website at studentaccounts.depaul.edu.

Please note: DePaul University has implemented e-billing; you will not receive a tuition bill in the mail. We encourage you to take some time to familiarize yourself with the detailed information available on the Student Accounts website.

HOW TO APPLY FOR FINANCIAL AID

U.S. citizens and permanent residents (green card holders) may apply for federal financial aid. Visit fafsa.ed.gov and complete the Free Application for Federal Student Aid (FAFSA) online. DePaul's code is 001671. You'll need to complete a FAFSA for each academic year that you want to receive financial aid. Federal Direct Stafford Loans allow students to borrow money from the federal government to pay for university expenses. These loans are processed directly through the Office of Financial Aid. This office will provide you with the necessary paperwork; to borrow you do not need to contact a lender.

There are two types of direct loans:

1. **Subsidized Stafford:** Eligibility for subsidized direct loans is based on financial need. Repayment is deferred until six months after you graduate or cease to be enrolled at least half time. The interest is paid by the government while you are in school.
2. **Unsubsidized Stafford:** Eligibility for unsubsidized direct loans is not based on financial need. You may borrow the cost of education minus all other financial aid you receive, up to the annual direct loan maximum. However, you must either pay the interest while you are enrolled, or it will be accrued and capitalized to the principal. Repayment of the principal is deferred until you graduate or cease to be enrolled at least half time.

Once your FAFSA information has been received and processed, you will be able to accept your student loans online through your Campus Connection account.

For more information, visit DePaul's financial aid website at go.depaul.edu/financial_aid.
